SUMMARY

Front-End Developer with 3+ years of experience building responsive, high-performance web applications using React.js, Next.js, JavaScript, and Tailwind CSS. Experienced in developing and maintaining production e-commerce platforms, integrating REST APIs, implementing SEO and performance improvements, and resolving production issues. Strong experience collaborating with design, backend, and operations teams to deliver reliable and user-focused web experiences.

WORK EXPERIENCE

Front-End Developer — Nov 2025 – Present

Global Feet (361sport.ae), Dubai, United Arab Emirates

- Develop and maintain a production e-commerce platform using Next.js, React.js, and Tailwind CSS.
- Implement new website features, UI improvements, bug fixes, and production updates.
- Integrate REST APIs to connect frontend interfaces with backend services.
- Support N-Genius payment gateway testing and e-commerce checkout functionality.
- Implement and maintain coupon and promotional logic across the website.
- Optimize website SEO structure, performance, and mobile responsiveness to improve organic visibility and user experience.
- Conduct cross-browser and device-level QA testing before production deployment.
- Troubleshoot and resolve customer-reported website issues to improve reliability.
- Manage and optimize product listings and support marketplace operations across Amazon and Noon.
- Coordinate with warehouse and operations teams to maintain accurate product and inventory data.

Front-End Developer — OCT 2023 - JUL 2025

Oro Media Lab Private Limited, Bengaluru, India

- Converted Figma/UI designs into responsive, production-ready websites.
- Developed responsive interfaces using modern frontend technologies.
- Customized WordPress websites using Advanced Custom Fields (ACF) and Elementor.
- Collaborated with designers and backend developers to deliver projects on schedule.
- Resolved cross-browser compatibility and responsive design issues.
- Implemented reusable UI components to maintain consistency across projects.

EDUCATION

Bachelor of Computer Application (BCA)

Anjuman Institute of Management and Computer Application. **2020 – 2023**
Affiliated to Karnataka University, Dharwad.
